Sudama Seva

Deities of Lord Shri Shri Jagannath, Baladeva, Subhadra and Sudarshan

Whoever constructs or helps to construct Vishnu temple shall be protected for eight generations of fathers, grandfathers and forefathers from falling into hell ... **Vamana Purana**

Just by starting the construction of temple for Lord Sri Krishna, sins committed in seven births will be wiped out and one will deliver his forefathers who are suffering in hellish planets ... **Skanda Purana**

By Building a temple one reaps the fruit, which he does not even gain by celebrating an arduous sacrifice. Having acquired wealth and having built a temple with a small portion of it, a person acquires plenty and gains favor from Hari..... **Agni Purana**

One who offers the Deity gifts of land, markets, cities and villages so that the regular daily worship and special festivals of the Deity may go on continually will achieve opulence equal to My own..... **Srimad Bhagavatam 11.27.51**

By installing the Deity of the Lord one becomes king of the entire earth, by building a temple for the Lord one becomes ruler of the three worlds, by worshiping and serving the Deity one goes to the planet of Lord Brahmā, and by performing all three of these activities one achieves a transcendental form like My own. ... **Srimad Bhagavatam 11.27.52**
